Katoomba Christian  
Convention

**kcc**

All One in Christ Jesus

**Pleased to meet you.**

Allow us to introduce ourselves:

We're a Bible-preaching convention ministry.

We're interdenominational.

Our vision is to see our nation transformed by Jesus Christ through the preaching of the Bible.

We grew out of Brethren roots, in the tradition of the Keswick Conventions in the UK.

Our ministry began in 1903 and continues today.

Our aim is to serve and strengthen the Lord Jesus' church.

We run on volunteer power: over 1,000 people enable this ministry every year.

Our 'home' is our conference centre in Katoomba, in the Blue Mountains, west of Sydney.

Our motto has always been that we are 'all one in Christ Jesus'.

We run multiple conventions — OneLove, NextGen, Katoomba Easter Convention, KYCK, Basecamp, Oxygen and Onward.

# Welcome to BASECAMP

Tim Lane says in his book *How People Change* that “Lasting change always comes through the heart. This is one of Scripture’s most thoroughly developed themes, but many of us have missed its profound implications. We need a deeper understanding of Proverbs 4:23, Above all else, guard your heart, for it is the wellspring of life.”

This is why we are looking at the theme of ‘Unbound’ this year at BASECAMP.

To guard our hearts, we need to uncover them, so that we may see the unhealthy

and destructive patterns that have bound them up. Unbound hearts are free to love God and others.

BASECAMP will help you explore your inner world so that your heart may be ‘unbound’. I am praying the Holy Spirit will powerfully work in each of us.

In Christ,  
L-T Hopper  
BASECAMP Chairman

### Emotionally Healthy Discipleship Peter Scazzero

Church leaders desperately need a better way of teaching people what it means to follow Jesus in a transformative way. Many churches are unknowingly operating out of a foundation of shallow discipleship which allows people to recycle the same problems year after year.

### Reset: Living a Grace-Paced Life in a Burnout Culture David P. Murray

'How did I get here?' These are the words of many Christian men on the brink of burnout or in the midst of breakdown. They are exhausted, depressed, anxious, stressed, and joyless.

Their time is spent doing many good things, but their pace is unsustainable - lacking the regular rest, readjustment, and recalibration they need. But there is good news: God has graciously provided a way for men to reset their lives to a more sustainable pace.

### Unwanted: How Sexual Brokenness Reveals Our Way to Healing Jay Stringer

Unwanted explores the 'why' behind self-destructive sexual choices. The book is based on research from over 3,800 men and women seeking freedom from unwanted sexual behaviour: be that the use of pornography, an affair, or buying sex.

### The Reconnected Heart Dr Jonathan Andrews

Do you carry pain from a previous or existing relationship?

While it is true that relationships can hurt us, they can also heal us. Your heart can mend by connecting with yourself, connecting with safe and understanding people, and connecting with the God who created you and longs to love you in the midst of your pain.

# Reflection

Jesus said everyone who hears these words of mine and puts them into practice is like a **wise man** who built his house on the rock.

Let's take some time to consider how we can put God's Word into practice.

Reflect on these questions:

**What's one thing God has been saying to you?**

**What's one thing you can do to act on that?**

**What one person can share that with to walk with you in this step of faith?**

**Pray for God's help**

Father, keep us from being just hearers of the Word. By the power of your Spirit make us doers of your Word so our whole spirit, soul and body be kept blameless at the coming of our Lord Jesus Christ.

## BASECAMP 20

DISRUPTED: HOW JESUS CHANGES MEN FOR THE BETTER

BASECAMP exists to give men a clear and compelling vision of what it means to be man. We find this vision in Jesus, who embodies, teaches and calls us to follow Him. Men long for a disruption to the current cultural narrative about toxic masculinity. We long for a disruption in our own inner lives and hearts so we can break old patterns of worldly masculinity, and learn the new way of following Jesus.

Speakers, Mark Stephens, Jeremy Dunne and John Lennox consider 3 key disruptions Jesus brings to the lives of men.

# An Indispensable Ministry

## The financial challenge continues for KCC

The financial challenge faced by KCC due to COVID is a continuing one.

No in-person conventions means greatly reduced support from registration fees, donations at events and onsite accommodation. This, along with refunds for cancelled 2020 events, insurance premiums that have doubled, our conference centre being closed for 6 months, means our cash reserves have been impacted significantly.

Your gift is crucial for KCC to continue doing what it does, and to remain standing for the generations to come.

One of the things we hear most often from the KCC family is that it is amazing to be gathered (virtually or otherwise!) with other Christian brothers and sisters from all over. KCC events help Christians remember we're part of a bigger family; they take us out of the everyday and refocus us on what's truly important; they allow God to change us.

KCC needs your help, so we can keep being there for this family, for generations to come.
